STAFF COMMENTS AND BACKGROUND INFORMATION:

The Rule 9 Line Extension Agreement with NV Energy was previously approved, executed, and paid. NV Energy will install fifteen poles underground to support the development improvements planned for revitalizing the downtown area on RDA parcels located on Lake Mead Blvd, White Street and Williams street.

As part of this project, the City will need to install underground conduit. This portion of the project will be bid out pursuant to NRS 338. Staff anticipates that the project will cost less than \$350,000, and therefore, recommends that the RDA approve funding in an amount not to exceed \$350,000 for the installation of the conduit.

The RDA parcels impacted are APNs 139-23-310-038, 139-23-310-039, 139-23-310-040, 139-23-310-041, 139-23-310-042, 139-23-310-058, 139-23-310-033, 139-23-310-034, 1239-23-310-035, 139-23-310-036.
