FMLA – Absence Management - COBRA – FSA

“SAF-HOLLAND has used BASIC for COBRA and FSA administration since 2003. This outsourcing relationship has allowed our Human Resources department personnel to focus their time supporting and addressing the needs of SAF-HOLLAND employees and rely on BASIC to handle the complexities associated with COBRA notifications and FSA reimbursements. Everyone at BASIC is always eager to help and quick to respond to our requests for assistance or information.

Thanks to BASIC, SAF-HOLLAND has peace of mind knowing that our COBRA and FSA administration needs are being handled professionally and timely.”

FMLA - FSA

“Consumers Credit Union has been very happy partnering with BASIC for the past 15 years. We self-administered our Flex Plan through their computer software for several years, but as our company started to grow our benefits needed more attention. Due to our long term relationship and their competitive prices, outsourcing our FMLA administration through BASIC was not even a question! The professionals at BASIC know what we like and go out of their way to provide us with the best services possible. Consumers Credit Union has been, and continues to be, dedicated to BASIC’s integrated HR solutions!”

FMLA – Absence Management – COBRA - FSA

“My experience with BASIC’s FMLA service has been overwhelmingly positive. My Case Manager is available, personable, and knowledgeable. When I have concerns about an employee’s leave, she is quick to provide the information I need to make good leave decisions that are in line with FMLA regulations. BASIC’s FMLA Dashboard is a great tool for monitoring my employees’ leaves at a glance and the ability to click through to more in-depth details allows me to do my job better. I’m able to get weekly reports sent to my inbox that allow me to track FMLA leave approvals and denials and that, too, makes my job a little easier. Overall, I’m genuinely pleased with the services BASIC FMLA provides and I’m grateful for their top-notch staff.”
