**STAFF COMMENTS AND BACKGROUND INFORMATION:**

On July 1, 2019, City Council approved an interlocal contract with the Regional Flood Control District of Southern Nevada for funds to construct flood control facilities associated with the Beltway Detention Basin & Channel Project. The Project consists of a detention basin near the northeast corner of Lamb Boulevard and Centennial Parkway as well as collection and outfall facilities as reflected on the attached Vicinity Map.

C.A. Group, Inc. was selected from the statement of qualifications list to provide required professional construction management services for this project. Public Works staff negotiated the construction management service fee in a not to exceed amount of \$1,020,316.00 for construction of the project.

This project is funded by the Clark County Regional Flood Control District.
