**STAFF COMMENTS AND BACKGROUND INFORMATION:**

On January 16, 2020, City Council awarded Bid B1583 and approved the Citywide fencing agreement with Tiberti Fence Company. This agreement is for installation, repair, rental, and reconstruction of chain link fencing, gates, and similar types services.

The increase is necessary due to the increased homeless encampment cleanup, increased vehicle crashes and accidents, increased fencing repair, and increased redevelopment demolition projects.

Any repairs done at the Flood Channels and Detention Basins are reimbursable by the Clark County Regional Flood Control District.
