

**SOUTHERN NEVADA AREA COMMUNICATIONS COUNCIL
(SNACC)
COOPERATIVE AGREEMENT**

THIS AGREEMENT is made by the Cities of Boulder City, Henderson, Las Vegas and North Las Vegas, the Regional Transportation Commission, the Clark County School District, the County of Clark, the Las Vegas Valley Water District and the Clark County Water Reclamation District, all of which are public agencies in the State of Nevada.

RECITALS:

- A. NRS 277.110 and 277.120 provide that any one or more public agencies may enter into agreement with any one or more other public agencies for the joint exercise of any power, privilege or authority exercised or capable of exercise by any one or more of the public agencies or for joint or cooperative action by the public agencies and may create a separate legal or administrative entity to conduct the joint or cooperative undertaking;**
- B. Each of the parties hereto requires a radio communications system with the capability of communicating within the Southern Nevada area on a regular basis and must communicate with other agencies on a regular basis;**
- C. The parties desire to share in the design and operation of an integrated radio communications system and also desire the greater capacity that can be obtained from a single integrated system rather than a collection of separate systems;**
- D. The cooperation of several agencies resulted in approval by the governing bodies of the County of Clark and the Las Vegas Valley Water District of a cooperative agreement dated September 19, 1995, which formed the Southern Nevada Area Communications Council (SNACC).
