STAFF COMMENTS AND BACKGROUND INFORMATION:

The City entered into an agreement with Clark County to obtain funding for the Craig Road Regional Park Railroad Project. The work includes installing approximate 1.5 miles of a miniature train ride and related appurtenances located within Craig Ranch Regional Park.

Four bids were received at the public Bid Opening held on July 20, 2021. A detailed evaluation was conducted for all bidders. It was determined that the bids submitted were either incomplete, had irregular bid proposals or exceeded the available project funding.

After a detailed analysis of the bids and applicable legal requirements, City staff has determined that the public interest would be best served by rejecting all bids and advertising for new bids.

Therefore, City staff recommends Council reject all bids for Bid No. 1641.
