STAFF COMMENTS AND BACKGROUND INFORMATION:

In July, the City invited City residents and businesses to provide input on community needs and potential uses of the City's American Rescue Plan Act (ARPA) funds. The survey is available online at the City's website and at various City facilities and can be filled out through August 20, 2021. The City also hosted four listening tour events in late July. The purpose of this presentation is to provide an overview of the information detailed in the survey results and the input received at listening tour events to City Council as the City determines how to use the ARPA funds.
