4. Consultant's scope of services and compensation have been arrived at after meaningful negotiations between the City and Consultant.

NOW, THEREFORE, in consideration of the above recitals and mutual promises contained herein, the parties hereto agree to the following terms, conditions and covenants set forth in Sections I through XII hereof.

In performing these services, Consultant shall follow practices consistent with generally accepted standards of care. Approval by the City of any products or services furnished by Consultant shall not in any way relieve Consultant of responsibility for the professional and technical accuracy of its services.
- B. Consultant shall assign Andrew Butsavich as the Project Manager ("Project Manager"). All of the services specified by this Agreement shall be performed by the Project Manager, or by Consultant's associates, employees and

subconsultants under the personal supervision of the Project Manager.
