FISCAL IMPACT: AMOUNT: \$98,021 EXPLANATION: Funding is accounted for in the City Council approved Information Technology Department annual operating budget.	ACCOUNT NUMBER: 00100-180165-450570

STAFF COMMENTS AND BACKGROUND INFORMATION:

The Police Department is moving to a new police vehicle computer platform from Dell as the previous platform has been discontinued. This purchase is to further standardize the police vehicles onto the new platform. The new platform has proven to be more responsive and just as reliable as the previous platform while being more cost effective. This purchase would be targeting newer vehicles that have the old platform installed in them and the mobile command vehicle.
