STAFF COMMENTS AND BACKGROUND INFORMATION:

This Illuminated Street Name Signs Project consists of the installation of illuminated street name signs and reflectorized traffic signal head back plates at signalized intersections citywide.

The City received two bids at the Bid Opening held on May 25, 2022. Staff conducted a detailed evaluation for all bidders. Staff determined that the bids submitted were either incomplete, had irregular bid proposals, or exceeded the available project funding.

After a detailed analysis of the bids and applicable legal requirements, City staff has determined that the public interest would be best served by rejecting all bids and advertising for new bids at a later date.

Therefore, City staff recommends Council reject all bids for Bid No. 1663.
