STAFF COMMENTS AND BACKGROUND INFORMATION:

On March 2, 2022 City Council approved an agreement with GCW, Inc., to design roadway services for the Commerce Street, Henderson Circle to Craig Road Project (CIP No. 10280B-21).

The Commerce Street Streetlight project (CIP Project No. 10544), consists of roadway lighting between Lone Mountain Road and the Lower Las Vegas Wash Trail on the west side of Commerce Street. The existing roadway is fully developed with the exception of the streetlights on the west side. The streetlight improvements improve visibility and safety.

Amendment No.1 will facilitate the design of this project using the Tax Override Street Fund Balance. Public Works Staff negotiated a not-to-exceed fee in the amount of \$19,800.00 for the design services of the Commerce Street Streetlight project. This will bring the Professional Engineering Services Agreement total from \$296,500 to \$316,300.

GCW, Inc. is qualified for this project and familiar as they designed the roadway for the original Commerce project (10280B-21).
