Re: Fuselier & Craig
APN: 139-05-701-005
Letter of Intent

To whom it may concern:

On behalf of our client, Forestar Real Estate Group, Inc., Taney Engineering is respectfully submitting a Letter of Intent for a Tentative Map, Rezoning, and Land Use Amendment for a proposed 2.29 gross acre, 18 lot single-family residential subdivision.

Tentative Map

The proposed project consists of a 2.29 gross acre, 18 lot residential subdivision with 7.86 lots per acre located approximately 300 ft. south of Craig Road and west of Fuselier Drive.

Ingress and egress to the site will be from Fuselier Drive. It is not believed that this development will have an adverse impact on traffic flow as Craig Road is a major arterial capable of handling a significant increase in traffic volume. While we are requesting a rezoning, the site is currently zoned C-1 (Neighborhood Commercial), which would likely see far greater traffic counts than our proposed residential development.

The community will have 6,325 sq. ft. of open space, in excess of the 6,300 sq. ft. required by Title 17.24.020-2.

Properties to the north, east, and west are zoned C-1 (Neighborhood Commercial) and those to the south are zoned R-1 (Single-Family Low Density). The proposed subdivision will provide a buffer between the low-density residential development located to the south and the higher density adjacent commercial operations. Due to these factors, we believe that the addition of this development is appropriate and beneficial for the area.

Rezoning

The site is currently zoned C-1 (Neighborhood Commercial). On behalf of our client, we are requesting a rezoning to R-CL (Single-Family Compact Lots).

Land Use Amendment

The site currently has a land use category of Neighborhood Commercial. On behalf of our client, we are requesting a land use amendment to Single-Family Medium.

We are hopeful that this letter clearly describes the project and the intent of the proposed development. If you have any questions or require additional information, please call 702-362-8844.

Sincerely,

A handwritten signature in black ink, appearing to read "Jeremiah Johnson". The signature is fluid and cursive, with a large initial "J" and a distinct "H" and "J" following.

**CITY OF NORTH LAS VEGAS PLANNING COMMISSION AND CITY
COUNCIL RECOMMENDATIONS / COMMENTS**

FROM: CLARK COUNTY DEPARTMENT OF AVIATION

APPLICATION: AMP-000005-2022

PROJECT: FUSELIER & CRAIG, 18 SFU

LOCATION: 139-05-701-005

**MEETING DATE: JUNE 8, 2022, PLANNING COMMISSION, JULY 6, 2022,
CITY COUNCIL**

COMMENTS:

The proposed development lies just outside the AE-60 (60-65 DNL) noise contour for North Las Vegas Airport (VGT), and is subject to significant aircraft noise and continuing over-flights. Future demand for air travel and airport operations is expected to increase significantly. Clark County intends to continue to upgrade VGT to meet future air traffic demand, and nighttime operations may and will continue to occur at VGT.

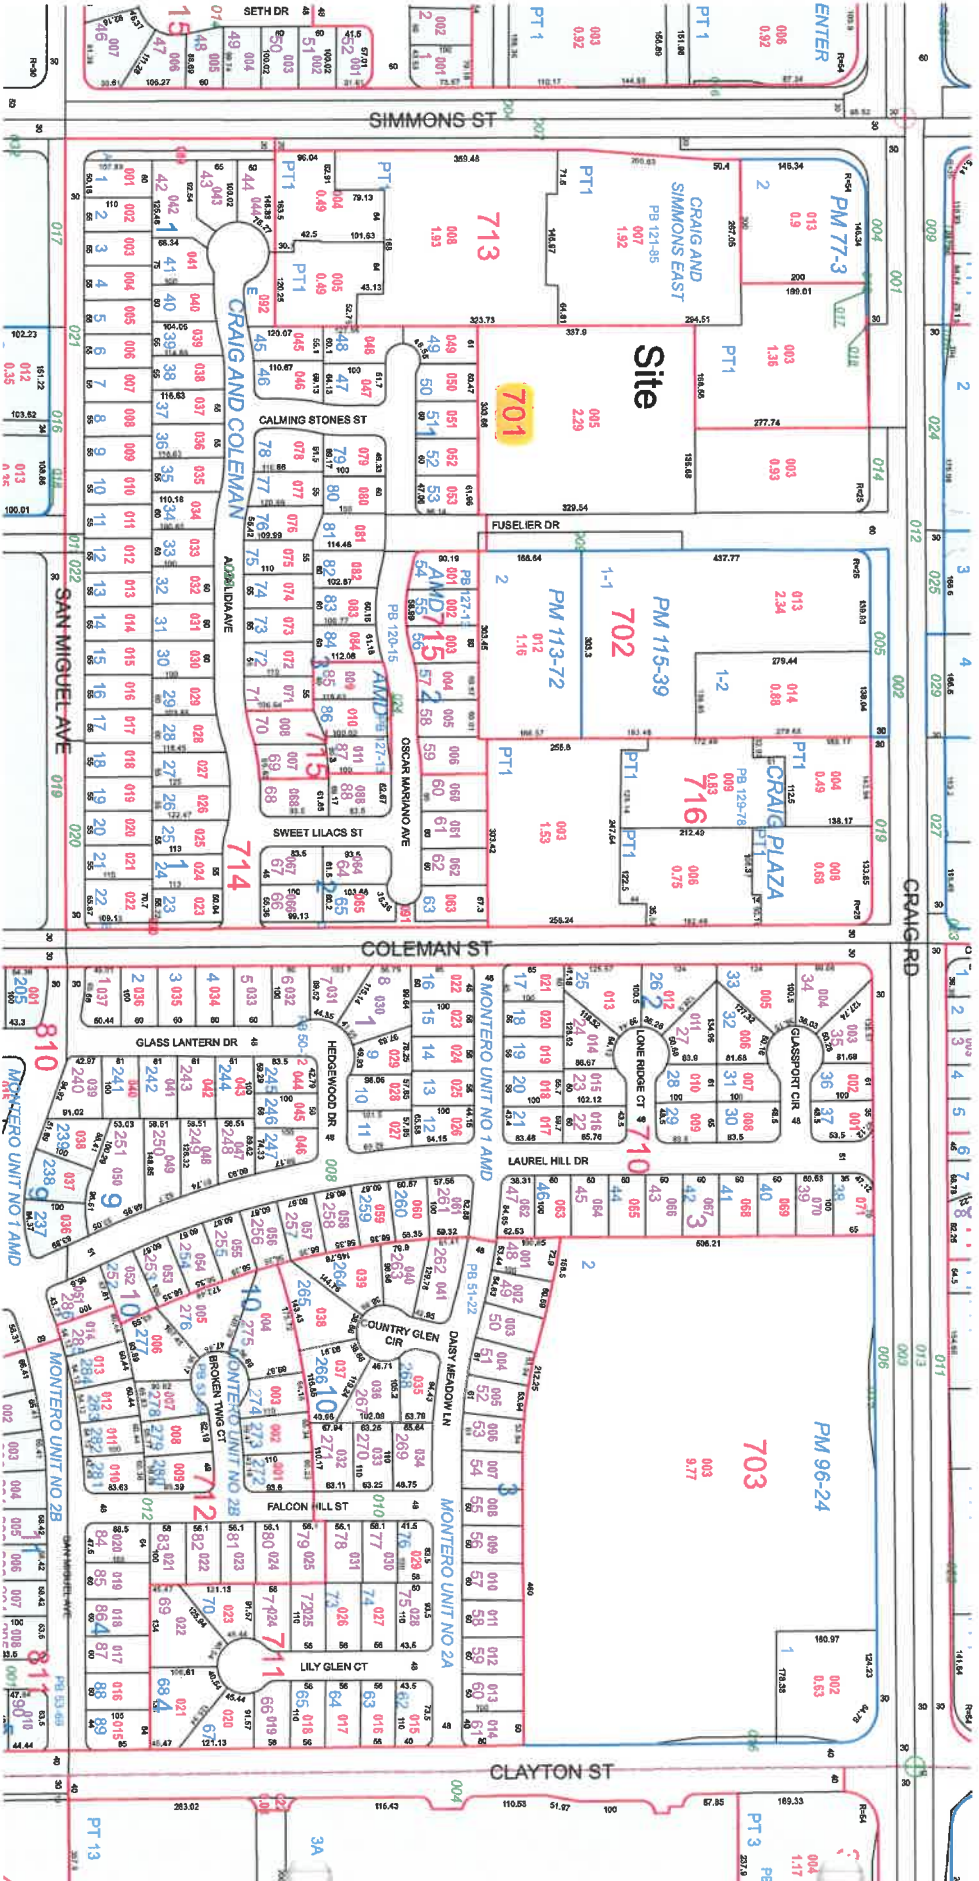

Applicant is advised that issuing a stand-alone noise disclosure statement to the purchaser or renter of each unit in the proposed development and to forward the completed and recorded noise disclosure statements to the Department of Aviation's Noise Office is strongly encouraged. Additionally, the Federal Aviation Administration will no longer approve remedial noise mitigation measures for incompatible development impacted by aircraft operations which was constructed after October 1, 1998, and funds will not be available in the future should the residents wish to have their buildings purchased or soundproofed.
