STAFF COMMENTS AND BACKGROUND INFORMATION:

On July 7th, 2020, the Clark County Commission approved a sub-grant award to the City of North Las Vegas in the amount of \$23.8 million dollars subject to all restrictions and limitations under the CARES Act. The Mayor and City Council accepted this sub-grant on July 15, 2020. Over the past four months, Staff has distributed CARES funds to local businesses and residents and is providing an update.

As of November 23rd, we have spent a total of \$10.6M primarily on community economic support programs including small business assistance, housing assistance, utility assistance and SNUMA. Before December 4th, we have plans to spend an additional \$2M on economic support, \$0.5M on COVID related hard costs, and \$4.3M on qualifying Public Safety payroll expenses. In addition, we have earmarked \$1.0M for Clark County Surge response.

In the event that not all available funds are used before the December 4th deadline, we can allocate additional qualifying public safety payroll to the grant.
