**Re: Justification Letter – Amendment to Master Plan, Zone Change
and Vacation
East Tropical Way and Nicco Way
Van Trust Real Estate**

To Whom It May Concern:

This firm represents Van Trust Real Estate (the "Applicant") in the above referenced matter. The proposed project is located on approximately 14.41 acres at the northwest corner of East Tropical Parkway and Nicco Way in North Las Vegas, Nevada (the "Property"). The Property is more particularly described as Assessor's Parcel Numbers 123-28-601-003, 004, 014, 015, 017 and 026. The Applicant is requesting an amendment to the master plan on a portion of the Property, a zone change on the Property in its entirety, and a vacation of a portion of Reiss Lane.

The Property is comprised of four (4) parcels master planned Community Commercial (CC) and zoned General Commercial (C-2) and two (2) parcels master planned Heavy Industrial (HI) and zoned Open Land (O-L). The Applicant is requesting the parcels master planned CC (APN's 123-28-601-014, 015, 017 and 026) to be amended to HI and all parcels to be rezoned to M-2 to allow for a future industrial development. Additionally, the Applicant is requesting to vacate the portion of Reiss Lane between Castleberry Lane and Nicco Way in order to develop the Property as one large development.

The surrounding area has been trending toward large industrial developments. Most recently, the 85 acres directly adjacent to the east of the Property was rezoned to M-2 to allow for future industrial uses. The property to the east also requested the vacation of Reiss Lane which was approved by the North Las Vegas Planning Commission. Therefore, the Applicant believes the requested amendment to the master plan, zone change and street vacation are appropriate for the Property and will not negatively impact the surrounding area.

Thank you in advance for your consideration. Please do not hesitate to let me know if you have any questions or concerns.

Sincerely,
KAEMPFER CROWELL
