STAFF COMMENTS AND BACKGROUND INFORMATION:

The City of North Las Vegas is developing its 2021/2022 CNLV Annual Action Plan for Community Development Block Grant (CDBG) and Emergency Solutions Grant (ESG) funds. The purpose of this Action Plan is to identify the City's housing and community development needs, priorities, goals, and strategies and to stipulate how funds will be allocated and spent toward housing and community development activities during the 2021/2022 program year.

Once the public hearing has been held to allow for public comments on the Action Plan it must then be approved by City Council once the public comment period has expired. After City Council approval, the Plan will be submitted to the U.S. Department of Housing and Urban Development (HUD) for review and acceptance. The draft Plan is available for public review and comment from April 1- April 30, 2021 as the "Draft 2021/2022 Action Plan" via the City's website at the following URL listed within the documents on that page:

http://www.cityofnorthlasvegas.com/departments/ldcs/neighborhood_services.php

Any comments received during the public hearing or the public comment period will be included in the final version of the Action Plan. This Plan will come back for Council acceptance and approval on May 5, 2021. All documents are due to HUD on or before May 15, 2021.
