**3. SUP-16-2021 ONELUV (Public Hearing). Applicant: Marcus Allen.  
Request: A special use permit in an M-2 (General Industrial District) to  
allow a non-profit club liquor license. Location: 3432 North Bruce Street.  
(APN 139-11-701-007). (For Possible Action)**

Principal Planner Michaels presented the item and stated the applicant requested a special use permit to allow an "on-Sale" liquor license in conjunction with a no-profit club located at 3432 North Bruce Street, in Suite 4. She stated the site is zoned M-2 and Heavy Industrial. She noted that, as submitted, the applicant requests the license to allow the organization to host events that offer alcohol and would operate from 8:00 PM to 2:00 AM on Wednesday, Friday and Saturday nights. She stated staff recommends denial of this application because on-sale liquor use is not consistent with M-2 or Heavy Industrial development and is also incompatible with surrounding manufacturing and warehousing, and it could negatively impact surrounding properties. She stated that there are other locations, for example on arterial streets might work, but not within the heart of such industrial areas. She added that the Police Department stated that on-sale liquor at this location would increase the number of incidents that have already occurred at this location.

**Marcus Allen, 1711 Pinter Way, North Las Vegas,** stated he is the founder of the organization and applicant. He stressed that the non-profit has been in this location for 12 years without incident. He stated that the incidents reported by the Police Department were not related to his site and non-profit. He provided information on the membership, stating it included many barbers and retired police officers. Mr. Allen noted that his non-profit does church runs and other goods things for the community and this use would only be for its membership and their guests and not for the general public.

Chair Kraft opened the public forum and having no requests to speak closed the public hearing.

Commission Greer stated he was familiar with the contributions the non-profit has made to the community. Chair Kraft noted that if the Planning Commission denied this application, then the applicant could appeal the decision to the City Council. Commission Calhoun suggested the club could be moved to a more appropriate location. Commission Berrett stated that the land use and surrounding use indicate that this is an inappropriate use for this site. Commission Greer asked staff, if it was classified as a private membership club would that change things. Planning and Zoning Manager Eastman stated that the closest use would be a community center and that that use would also not be permitted in an M-2 industrial area. He stated this type of use would be more acceptable in a commercial area rather than an industrial area.

- 4. AMP-02-2021 CENTENNIAL - GOLDFIELD (Public Hearing). Applicant: Richmond American Homes. Request: An amendment to change the land use designation from Mixed-Use Commercial to Single-Family Medium. Location: Southwest corner of Centennial Parkway and Goldfield Street. (APN 124-27-502-011) (For Possible Action)**

Principal Planner Michaels stated her presentation would be for Item Nos. 4, 5, and 6, but each would require a separate vote. For Item No. 4, AMP-02-2021, she stated that the applicant requests to amend the Comprehensive Master Plan Land Use Element from Mixed-Use Commercial to Single-Family Medium on approximately 10.21 acres at the southwest corner of Centennial Parkway and Goldfield Street. She stated the applicant is proposing to develop a 50-lot single-family residential subdivision and that in 2002 the City Council reclassified the site from R-E Ranch Estates to C-1 Neighborhood Commercial in order to create a commercial plaza. She noted that only

the western portion was constructed, leaving the eastern 10 acres undeveloped. She stated that in 2006 this property was changed to C-1 Mixed-Use Commercial.

In regards to Item No. 5, which is ZN-05-2021, Ms. Michaels stated the applicant is requesting the property be reclassified from C-1 to R-CL, Single-Family Compact Lot. For Item 6, Ms. Michaels stated that the applicant is requesting approval of a tentative map, T-MAP-04-2021, to allow the 50-lot, Single-Family Medium land use development. Principal Planner Michaels stated staff recommends approval of Item Nos. 4 and 5 as requested and Item No. 6 subject to conditions as listed in the staff report.

**Bob Gronauer, 1980 Festival Plaza Drive, Las Vegas,** represented the applicant and displayed a site plan. He stated the homes would be 1700 square feet or larger. He stated he agreed staff recommendations.

Chair Kraft opened the public hearing and having no requests to speak closed the public hearing.

**7. AMP-03-2021 NIGHTINGALE (Public Hearing). Applicant: DR Horton, Inc. Request: An amendment to the Comprehensive Plan to change the land use from Community Commercial to Single-Family Medium. Location: Northeast corner of Losee Road and Tropical Parkway. (APN 124-25-201-001 and a portion of 124-25-201-003) (For Possible Action)**

Principal Planner Michaels stated her presentation would be for Items Nos. 7, 8, and 9, but each would require a separate vote. For Item No. 7, AMP-03-2021, she stated that the applicant is requesting to amend the Comprehensive Master Plan Land Use Element from Community Commercial to Single-Family Medium on approximately 38.65 acres at the northeast corner of Losee Road and Tropical Parkway to develop 140 single-family dwelling units and 246 multi-family units on the 38.65 acres and to leave 3.15 acres of the original 41.8 acre property as Community Commercial. She stated that the 3.15 acre property would be used for commercial development and would include a pharmacy.

In regards to Item No. 8, ZN-07-2021, she stated the applicant requests to amend the existing planned unit development to build both the 3.15-acre commercial lot and the two residential family developments. In regards to Item No. 9, she stated the applicant is requesting approval of a tentative map, T-MAP-05-2021, to allow both the 140-lot single family and the 246-unit multi-family developments. Ms. Michaels stated that these requests are consistent with the City Code and that staff recommends approval of all three applications with conditions

for ZN-07-2021 and T-Map-05-2021.

**Joe Dagher, Kaempfer Crowell, 1980 Festival Plaza Drive, Las Vegas,** represented the applicant. He displayed a site plan, gave background on three requests, stating there would be a lot of open space and included gated access. He stated the two residential subdivisions would be separated from each other and that the parcels would face inwards into the property. He stated he concurred with staff recommendations.

Chair Kraft opened the public hearing and having no requests to speak closed the public hearing.

- 13. DA-02-2021 VALLEY VISTA PARCEL 1.1 (Public Hearing). Applicant: DR Horton, Inc. Request: A major modification to the Valley Vista Development Agreement to add an approximately 21.3 acre parcel (Parcel 1.1) and amend the land use to allow an approximately 16.5 acres of High Density Residential and 4.8 acres of Neighborhood Commercial. Location: Southeast corner of Decatur Boulevard and Grand Teton Drive. (APN 124-18-110-001) (For Possible Action)**

Planning and Zoning Manager Eastman stated his presentation would be for Item Nos. 13, 14, and 15, but each would require a separate vote. For Item No. 13, DA-022-2021, he stated the applicant is requesting a major modification to the Valley Vista Planned Community Development Agreement to add 21.3 acres, called Parcel 1.1, to the planned community and to amend the land use to designate 16.5 acres as high density residential and 4.8 acres as neighborhood commercial. Mr. Eastman provided historical background on this development agreement, originally called Park Highlands. He stated that the applicant requests that Parcel 1.1 be used for a variety of purposes as in the 2014 agreement, but staff recommends use be limited to only convenience food store with gas pumps, convenience food restaurant, known as fast food, and supper club. He explained why the carwash, tavern, and mini warehouse uses would be inappropriate. Mr. Eastman stated that the 16.5 acre parcel would be developed into triplex residential housing, bringing the total for the master planned community to 4,044 units. Mr. Eastman stated if approved the inclusion of Parcel 1.1

would reduce the commercial component, but does not negatively impact the community and staff recommends approval with a condition that the use table for Parcel 1.1 be modified to include only those three uses.

For Item No. 14, ZN-06-2021, Mr. Eastman stated the applicant is requesting rezoning of the property from master planned community neighborhood commercial zoning to master planned community residential zoning up to 25 dwelling units per acres on property located on the southeast corner of Decatur Boulevard and Grand Teton Drive. He stated that the proposed use is similar to surrounding density and staff recommends approval of the request.

For Item No. 15, Mr. Eastman stated the applicant is requesting consideration of a tentative map, T-MAP-06-2021, and that the applicant is requesting approval to allow a 246-unit multi-family development on this property.

**Bob Gronauer, Kaempfer Crowell, 1980 Festival Plaza Drive, Las Vegas,** stated he represented the master developer. He displayed a site plan of the property and provided background on Park Highlands. He stated that from the time it was originally approved until now there has been many changes in the economy and that the need for specific uses has changed as well, specifically less commercial is needed now. He stated the intent is to townhome community and he concurred with staff recommendations.

Chair Kraft opened the public hearing.

**Christopher Roberts, 4512 Creekside Cavern Avenue, North Las Vegas,** stated he disagreed with Mr. Gronauer. He said still there is a need for brick and mortar stores and that residents have a strong desire for those in this area. He added that this location would also be a great haven for small businesses. He said he was provided documentation when he purchased his home in 2019 that this site would be commercial. He stated he was opposed to these changes.

**Rebecca Lam, 4542 Solitude Falls Avenue, North Las Vegas,** stated she concurred with Mr. Roberts' comment and lived in this community from November of 2020. She emphasized that those who live here have to go south of Decatur Boulevard to shop and that creates so much traffic. She said having local commercial would reduce that traffic issue, creating less bottlenecks.

Chair Kraft, having no more requests to speak, closed the public hearing.

Mr. Gronauer stated that there is a 5-acre piece of property just north of Parcel 1.1 and that attempts to make that commercial failed due to neighborhood opposition. He provided background on how the size of a commercial property determines what can be used at the site and that the trend over the last decade has been to concentrate

the commercial uses around Clark County Highway 215 and therefore, north, south, east and west of Decatur Boulevard at the CC 215.

Commissioner Berrett stated that the property mentioned by Mr. Gronauer was not opposed by the neighborhood because it was commercial development, but due to the type of commercial use proposed. He stated the neighborhood objected to a tavern and did not object to all commercial uses. He mentioned that he has read on the NextDoor app that many in the area wanted more Smiths and Albertsons type stores. Commissioner Berrett stated he would not support these items.

Vice Chairman Warner asked the public speakers what neighbors would like there. Mr. Roberts said he would like a grocery store at that location. Ms. Lam stated it is a journey to go to the other areas and also would like those types of uses. Vice Chairman Warner asked what is the typical grocery store site size. Mr. Gronauer stated that these types of stores have certain formulas to determine if and when they will deploy stores based on residential roof tops. Mr. Gronauer added that at the other location a tavern was proposed, but a convenience store was also proposed and opposed. He described uses for a 20-acre commercial site.

Commissioner Greer stated that in order to get the big box stores into a community, that developers need to see the appropriate number of residential rooftops and that they would not develop there if they do not have the appropriate number of rooftops, adding if you want an Albertsons or Smiths you need more rooftops to be built in the area first.

Chair Kraft asked how a development agreement is amended. Mr. Eastman stated it is first heard by the Planning Commission and if recommended for approval, it proceeds to the City Council for final decision. Mr. Eastman explained that in this instance for this site specifically the site was originally part of Park Highlands development agreement. He stressed that all the other parcels were rolled into the Valley Vista development agreement, but that this parcel was not and is not in that agreement at this time. He noted that there is no residential component on this parcel at this time. He noted that when originally approved it was granted certain rights that are not typical for commercial components. He stated that if not approved and incorporated into the Valley Vista development agreement, that it could sit vacant as a commercial component.

Chair Kraft and Mr. Gronauer explained that by incorporating this parcel into the Valley Vista Master Planned Community many of the streets concerns would also be improved.

Commissioner Berrett stated that if not approved could stay commercial or potentially could later be changed to multi-family.

Chair Kraft ended discussion and called for a motion.

ACTION: APPROVED WITH THE FOLLOWING CONDITION; FORWARDED TO CITY COUNCIL FOR FINAL CONSIDERATION:

Request: A property reclassification from MPC C-1 (Master Planned Community Neighborhood Commercial Zone) to MPC RZ-25 (Master Planned Community Residential Zone up to 25 du/ac). Location: Southeast corner of Decatur Boulevard and Grand Teton Drive. (a portion of APN 124-18-110-001) (For Possible Action)**

**(Please refer to comments in Item No. 13, DA-02-2021)**

Chair Kraft opened the public hearing and having no requests to speak closed the public hearing.

**Ida Zeiler, 8229 San Mateo Street, North Las Vegas,** spoke in support of Item Nos. 13, 14, and 15. She said that she did not want the neighborhood's dislike of the proposed projects across the street to color the decision on these items. She expressed problems she currently sees in her neighborhood she typified as a cul-de-sac and that approval of these items would eventually greatly improve traffic flow. She complained about Grand Teton and Decatur traffic, stating there are accidents daily and that the constant changes to traffic flow make it worse. She added that there are several schools surrounding the area that make traffic dangerous. She closed saying she would appreciate the area being buttoned up.

**Kieran McLeod, 7920 Pale Rider Street, Las Vegas,** said his concern is high capacity housing. He stated he would rather have single units instead of adding more people in the area trying to get to stores that are further away from where needed. He

noted that he is really opposed to apartments and townhouses. He said his beautiful views have been diminished, but other than that he is in favor of development in a general sense.

Chair Kraft, having no more requests to speak, closed the public hearing.

Chair Kraft stated that Ms. Zeiler is correct that the proposed homes would act as a buffer for the existing nearby single-family homes and this would mean the existing homes would not be impacted any commercial.

Location: Southwest corner of Centennial Parkway and Pecos Road. (APN 124-25-501-007) (For Possible Action)**

Planning and Zoning Manager Eastman stated that his presentation would be for Item Nos. 16, 17, and 18, but that each item would require a separate vote. For Item No. 16, AMP-01-2021, he stated that the applicant is requesting to amend the Comprehensive Master Plan Land Use Element from community commercial to single family medium to develop 15.38 acres at the southwest corner of Centennial Parkway and Pecos Road to build 102 single-family homes. He provided information on the land uses surrounding this property and that this use is compatible with those existing properties.

In regards to Item No. 17, ZN-04-2021, Mr. Eastman said that the applicant is requesting a rezoning of the subject site from neighborhood commercial to single-family compact lot residential to allow this development. He stated they are providing ample open space.

In regards to Item 18, Mr. Eastman stated that the applicant is requesting consideration of a tentative map, T-MAP-03-2021, that would result in 6.64 dwelling units per acre located on this 15.38 acre site. He stated staff recommends approval of all three items with conditions for Item No. 18.

**Bob Gronauer, Kaempfer Crowell, 1980 Festival Plaza Drive, Las Vegas,** represented Richmond American Homes and stated he concurred with staff's recommendation. He displayed the site plan for the property and asked the

Commission to follow staff recommendations.

- 19. UN-21-19 (PZ67475) CENTENNIAL & LAMB RETAIL CENTER (Public Hearing). Applicant: Lewis Investment Company of Nevada, LLC. Request: An extension of time for a special use permit in a C-2 (General Commercial District) to allow a convenience food store with gas pumps. Location: Southwest corner of Centennial Parkway and Lamb Boulevard. (APN 123-30-516-001) (For Possible Action)**

Planning and Zoning Manager Eastman stated that his presentation would be for Item Nos. 19, 20, and 21, but that each item would require a separate vote. He stated that all three items are for three separate requests to extend the time for special use permits that were approved in 2019 for a 4.19 acre property located on APN 123-30-516-001 on the southwest corner of Centennial Parkway and Lamb Boulevard.

For Item No. 19, UN-21-19, he stated the permit is to allow a convenience food store and gas pumps. For Item No. 20, UN-20-19, the request is to allow an extension for a special use permit to allow a vehicle washing establishment and that No. 21, UN-22-19, is a request to allow an extension on the same property to allow a restricted gaming and on-sale liquor license. He noted that there are only 12 conditions for Item No. 20, stating that the staff report online misnumbered the conditions. He closed saying staff recommends approval with conditions on all three permits.

**Bob Gronauer, Kaempfer Crowell, 1980 Festival Plaza Drive, Las Vegas**, stated he represented Lewis Development. He displayed a site plan and provided historical background on the site. He stated some things have slowed down over the course of the last year necessitating this the extension requests. He added that he concurred with staff recommendations.

Chair Kraft opened the public hearing.

**Mirna Delgado, 6316 Goldwater Street, Las Vegas** called into the meeting and said she opposed the development of the gas station and that this is not needed demographically by the community. She noted that there are 20 homes directly behind this lot and residents do not need people going to a gas station all night and making noise.

**Jess Beck, 6316 Goldwater Street, Las Vegas**, called into the meeting with the previous speaker and stated that he was proposed the gas station would be a 24-hour activity next to his home and others. He said the do not need a gas station directly across the street from them and that there are already nearby gas stations. He expressed a preference for things like charter schools, grocery stores, and churches

and nothing that would sell alcohol. he emphasized that they are stuck between two freeways and thinks that a gas station in this location would increase crime, transients, burglaries, homicides, and alcohol related incidents. He stated residents here need more resources for youths and something that has normal business hours.

There was another caller on the line for this item, but several attempts to conference the caller into the meeting during Items No. 19, 20, and 21 failed as the call dropped.

Chair Kraft, having no more requests to speak, closed the public hearing.

Planning and Zoning Manager Eastman stated that approval of these use permits for these uses were approved in March of 2019 before homes were built. He stressed that the actions tonight are to extend previously approved use permits.

- 22. UN-31-19 (PZ68074) REVERE & COMMERCE, NWC (Public Hearing).  
Applicant: Robert Black Jr. Request: An extension of time for a special use permit in a C-1 (Neighborhood Commercial District) to allow a vehicle washing establishment. Location: Northwest corner of Commerce Street and Revere Street. (APN 124-22-201-003) (For Possible Action)**

Planning and Zoning Manager Eastman presented the item stating that the applicant is requesting an extension of time for a special use permit to allow a vehicle washing establishment on a 2.71 acre parcel located on the northwest corner of Commerce Street and Revere Street. He stated the site is mixed use commercial and that the facility would be 2,700 square feet in size. He explained that the applicant has previously received extension of time approvals for a convenience store with gas pumps and a vehicle service facility at this site. He stressed that the current site plan does not contain the auto service facility or commercial retail buildings. He stated staff recommends approval with conditions.

**Melissa Eure, 1550 Whitney Ranch Dr, Henderson,** represented the applicant. She stated that this site is a very odd-shaped triangular piece of land. She showed the property before and after development. She said that with the nearby development it now makes this project more feasible. She stated that a lot of work has already been

done on site, citing drainage and grading in order to this site suitable.

Chair Kraft opened the public hearing.

**Randy Black, Jr., 10789 W. Twain Ave, Las Vegas,** the property owner, called into the meeting and said he concurred with recommendations and was available for questions.

**Leonard Scott, 6834 Moorland Street, North Las Vegas,** stated he bought his lot in April of 2018. At the time he was told that there would be a park at this site and it would go all the way to Commerce Street and also a police station. He added that he pays his HOA dues towards the construction of this park. He added that there is already a nearby carwash and stated a carwash is not needed, especially since residents are required to conserve water stringently.

Chair Kraft, having no more requests to speak, closed the public hearing.

Ms. Eure explained that the zoning on Mr. Scott's property was done in 2018, that the proposed park is still planned, would be situated west of this odd-shaped piece of property, and is not part of this item.

Mr. Eastman shared information on the park development, noting it would be done in two phases. He stressed that the parcel that the applicant has before the Commission tonight is not in Mr. Scott's planned development. He stated that this odd-shaped piece of property is a result of street realignments and added that Mr. Scott's HOA dues are going towards a park that will be built.

Chair Kraft and Mr. Black, the property owner, provided background on the Commerce, Revere and North 5th Street alignments.

ACTION: APPROVED UN-31-19 SUBJECT TO THE FOLLOWING CONDITIONS:

1. UNLESS EXPRESSLY AUTHORIZED THROUGH A VARIANCE, WAIVER OR ANOTHER APPROVED METHOD, THIS DEVELOPMENT SHALL COMPLY WITH ALL APPLICABLE CODES AND ORDINANCES.
2. THE SIDEWALK AND LANDSCAPING SHALL BE MODIFIED TO BE MORE CONSISTENT TO THE VILLAGES AT TULE SPRINGS DESIGN. THE SIDEWALK SHALL BE EIGHT (8) FEET IN WIDTH AND SHALL BE PLACED IN THE MIDDLE OF THE PERIMETER LANDSCAPING, EXCEPT AT THE BUS TURNOUT, WHERE IT MAY BE ADJACENT TO THE CURB.
3. ALL KNOWN GEOLOGIC HAZARDS SHALL BE SHOWN ON ANY PRELIMINARY DEVELOPMENT PLANS AND CIVIL IMPROVEMENT

PLANS SUBMITTED TO THE CITY. SUBSEQUENT IDENTIFICATION OF ADDITIONAL HAZARDS MAY SUBSTANTIALLY ALTER DEVELOPMENT PLANS.

4. APPROVAL OF A DRAINAGE STUDY IS REQUIRED PRIOR TO SUBMITTAL OF THE CIVIL IMPROVEMENT PLANS.

5. THE SIZE AND NUMBER OF ACCESS POINTS AND THEIR LOCATIONS ARE SUBJECT TO REVIEW AND APPROVAL BY THE CITY OF NORTH LAS VEGAS TRAFFIC ENGINEER AND MUST MEET THE STANDARDS SET FORTH IN NORTH LAS VEGAS MUNICIPAL CODE SECTION 17.24.040; CONFORMANCE MAY REQUIRE MODIFICATIONS TO THE SITE.

**23. FDP-03-19 (PZ67214) SEDONA RANCH. Applicant: Remington Nevada. Request: An extension of time for a final development plan in a PUD (Planned Unit Development District) to develop a portion of the retail commercial component. Location: Northwest corner of Ann Road and North 5th Street. (APN 124-27-801-009) (For Possible Action)**

Planning and Zoning Manager Eastman presented the item stating that the applicant is requesting an extension of time for a final development plan to develop a commercial/retail area approved in the Sedona Ranch planned unit development. He stated the subject property is 4.1 acres and is located at the northwest corner of Ann Road and North 5th Street. He stated that staff recommends approval of the request, but that several corrections are needed for the request to comply with current standards and that the corrections would most likely result in a reduction in the size of one or more of the proposed buildings. He stated staff recommends approval with conditions and noted that corrections would be needed and done when building permits are submitted.

**Bob Gronauer, Kaempfer Crowell, 1800 Festival Plaza Dr, Las Vegas,** represented the property owner and applicant. He stated construction would start soon. He stated that they ran into issues due to COVID last spring. He stated this would be a good use for this corner.

**STAFF ITEMS**

Land Development and Community Services Director Jordan welcomed Commissioner Guymon to the meeting in person. He said during the last year, we have had new members join the Commission, but that this was the first meeting in person for some members. He stated that staff in a general sense does have a good idea when items would go before the City Council final approval when approved by the Planning Commission, but he cautioned the Commission from stating exact dates for when items would be heard by Council. In explanation, he shared that sometimes there might be problems, etc. that delay an item, He noted that notices go out to residents and applicants based on the actual date that the items will be heard. Director Jordan also shared the types of information that is provided to the Council when Commission items go before the City Council and the he is also providing notes from the meeting for staff and Council.

Senior Deputy Assistant City Attorney Moore stated that new Commission members have had their Open Meeting Law training and have learned about conflicts of interest, etc.
