**STAFF COMMENTS AND BACKGROUND INFORMATION:**

The Planning Commission approved ZOA-01-2021 at their meeting on August 11, 2021.

The City is proposing amendments to the landscaping requirements within the Industrial-Apex Overlay District. The proposed requirements for Apex are to address the landscaping needs for Apex while addressing the realities of water availability within the Apex industrial area. The amendment reduces the overall landscaping requirements, but keeps the landscaping requirements consistent throughout the Apex area.
