STAFF COMMENTS AND BACKGROUND INFORMATION:

The First Amendment to the Ambulance Services Agreement between the City of North Las Vegas (City) and MedicWest Ambulance, Inc. (MedicWest) revises the Ambulance Services Agreement dated February 1, 2018 (Agreement). Pursuant to Section 34 of the Agreement, City Council must approve any amendment to the Agreement.

This First Amendment reflects an updated emergency response priority system utilized by the City's Fire Department. Rather than utilizing a system comprised of three priority response times (Priority 1, Priority 2, and Priority 3), the First Amendment details a system comprised of six priority response times (Priority 1, Priority 2, Priority 3, Priority 4, Priority 5, and Priority 11). The First Amendment revises provisions in Sections 4, 7, 14, and 15 of the Agreement to reflect this updated emergency response priority system.
