

**CITY OF NORTH LAS VEGAS MEETING
AGENDA ITEM**

NUMBER: 16.

SUBJECT:

Approve Professional Engineering Services Agreement with GCW, Inc., in an Amount Not to Exceed \$316,575 Funded by the Utility Enterprise Fund to Provide Professional Engineering Services for the Sloan Channel RCB Repair Project, CIP Project No. S0042. (Citywide) (For Possible Action)

REQUESTED BY:

Dale Daffern, Director, Public Works

WARD:

Citywide

RECOMMENDATION OR RECOMMEND MOTION:

It is recommended that City Council approve the Professional Engineering Services Agreement with GCW, Inc.

FISCAL IMPACT:

AMOUNT: \$316,575

EXPLANATION:

Utility Enterprise Fund

ACCOUNT NUMBER:

623-600337-431025

STAFF COMMENTS AND BACKGROUND INFORMATION:

This Agreement provides for the design for the Sloan Channel RCB Repair Project for the City's Water Reclamation Facility.

The existing outfall piping and reinforced concrete box (RCB), designed and constructed by Clark County, is currently leaking effluent from the joints into the Sloan Channel. The repair will involve the design of an impermeable liner within the piping and RCB sections.

GCW, Inc. was selected to provide the engineering design for this project as a continuation of their Sloan Channel RCB Repair Assessment, completed in March 2021. Public Works staff negotiated an agreement that covers the design services for the project, in a form approved by the City Attorney's office.

CIP No. S0042
