**STAFF COMMENTS AND BACKGROUND INFORMATION:**

The North Las Vegas City Charter requires that the City's ward boundaries be redrawn whenever the population, as determined by the last preceding national census of the Bureau of the Census of the United States Department of Commerce, in any ward exceeds the population in any other ward by more than 5 percent. The City contracted with Judge Kessler to review the wards and propose a revised map for the ward boundaries based on the United States Census and applicable laws, including the Voting Rights Act.

Judge Kessler shall present a proposed redistricting plan for the City Council that reflects the demographic changes that have occurred between the 2010 and 2020 United States Census.
